

THIS WEEK IN **WPR**...

May 14, 2019 | Vol 2

WPR Go-Live Date: 15 October 2019

WPR Go-Live Date Moved to 15 October 2019

WPR will be ready for Go-live 16 September 2019, pause for financial year end brownout period and promote to production 15 October 2019.

HIGHLIGHTS THIS WEEK:

- On 6 May, Ms. Adams approved the WPR Schedule Extension, with a new Go-Live date of 15 October 2019

KEY DATES:

- 17 May TFRT completes
- 24 May FSRT completes
- 3-28 June PDIT
- 12 July Development & Integration testing complete
- 15 July UAT
- -30 August
- 26 July CKT completes

CADRE TRAINING DATES:

With the Go-Live date change to 15 October, the second session of CKT dates will need to change as well. We currently know that all UAT testers will need to be trained NLT 12 July. With that, we are working with sites to update all session dates.

For support or more information on these sessions, contact Stefan Henderson at stefan.a.henderson.ctr@mail.mil or (256) 450-9273.

THINGS TO DO THIS WEEK

- 1 Update your plans for CKT and UAT events, especially your travel!
- 2 Continue prep and scheduling for end user training; Cadre need to ensure end users have completed the LMP_AMC_BO_100_ILT course prior to starting end user training
- 3 Submit feedback on the cadre knowledge transfer (if you have attended the first session)

DID YOU KNOW?

- See page 2 for your site's WPR lead and contact information
- Here's how to get access to the WPR SharePoint Site:
Request access via email to your WPR Site Lead (see page 2). In the email, provide your site location and WPR role. Your site lead will work with LMP PMO and respond to you via email on whether access was granted or not.
